• WELCOME •

Welcome to the Inaugural Master Amateur Invitational

Congratulations to all of the amateur handlers and their dogs for qualifying for the 2017 Master Amateur Invitational – the Inaugural Invitational. By virtue of passing at least six AKC Master Hunting Tests for Retrievers you have demonstrated not only your and your dog's skills, but also your dedication to the sport of retrievers. On behalf of the Board of Directors of the Master Amateur Retriever Club, the members of the club and all amateur handlers, congratulations and best wishes for a safe and successful run in this inaugural Invitational.

The Hunting Test Committee, Co-Chaired by John Blackbird and Bob Montler, has been working diligently for the past year to make sure the Inaugural Invitational is a success. In our minds, this accomplishment will be measured by the quality of the Invitational and the satisfaction of all handlers in a worthwhile event. Key to that satisfaction is the quality of the grounds selected for the Invitational and pre-National training. As you can see by the photos and descriptions in this commemorative book the Committee has identified world-class properties for our dogs to play in. I know you'll join me in thanking all of these property owners by respecting the grounds and abiding by the owners' requests.

The Board also recognizes and asks all participants to join us in thanking our Corporate Sponsors. Their support is key to our success and we are grateful for their engagement. Our Charter Sponsors, Purina and Avery, have been at the forefront of support for all national retriever events. We are grateful for their encouragement and support.

Please join the Board of Directors in thanking our judges for their dedication to our sport, their time and their commitment to evaluating our hunting companions. Special thanks go to Julie Cairns and David Coffey whose services were not needed for the Inaugural. We'll look forward to seeing you in Missouri next year.

The communities of Cairo and Thomasville have been gracious in their welcome and support. I encourage you to visit the many attractions and restaurants in the community and let them know that you're attending the Invitational. You are all ambassadors for our sport and are the best folks to let people know about our sport.

Once again, congratulations on your success. Best of luck and be safe.

On behalf of the Board of Directors,

Bob Swift
President

AMERICAN
KENNEL CLUB

Doug Ljungren

April 2017

Subject: **Retriever Master Amateur Invitational Inaugural Event**

The Retriever Master Amateur Invitational provides a venue dedicated to allowing amateur handlers to showcase their working retrievers. Amateur support and participation is essential for field events to thrive. The Master Amateur Invitational will provide lasting value to the Retriever Hunting Test program.

The AKC and the sport are fortunate to have groups such as the Master Amateur Invitational organizing committee. These individuals sincerely care about the future of their sport. Structuring the organization and planning this inaugural event is no small undertaking. This committee has contributed their vision, time, manpower and financial resources to make this happen. Their effort should be acknowledged and appreciated.

The AKC congratulates those that have qualified for this event. It is through the efforts of the dedicated breeders, trainers and handlers of these dogs that their inbred instincts are maintained and enhanced for future generations.

There is only one inaugural event. Please appreciate the fact that you are here with other passionate owners/handlers to participate in the sport you enjoy. I wish you all the best of luck.

Congratulations on achieving this milestone event.

Sincerely,

Doug Ljungren
Vice President, Sports & Events

• WELCOME •

April 2017

Welcome Master Amateur Retriever Club Participants:

As "Georgia's Hospitality City", I would like to welcome you to the City of Cairo and the surrounding area. We are thrilled to host the 2017 Master Amateur Invitational at the Grady Cultural Center, a renovated syrup plant. Our City may be considered small by some. However, our location and mild winters continue to attract those who crave small town friendliness, community pride and support, and a laid-back lifestyle. I hope you find your stay here a hospitable and enjoyable one. Have fun at your event and may your dog qualify at this inaugural event!

Sincerely,

Robert B. Burns, Sr.
Mayor

P. O. Box 29 * 119 North Broad Street * Cairo, Georgia 39828

OFFICE OF THE GOVERNOR
ATLANTA 30334-0900

Nathan Deal
GOVERNOR

April 22, 2017

To: The Master Amateur Retriever Club

GREETINGS:

On behalf of the State of Georgia, allow me to extend my warmest regards to the Master Amateur Retriever Club as you host this event.

Please allow me to welcome your distinguished guests from different teams around our great nation and the State of Georgia. I applaud this organization for its dedicated efforts and am confident that the Master Amateur Retriever Club will have a positive impact on the State of Georgia.

I send my best wishes for a productive event.

Sincerely,

A handwritten signature in cursive script that reads "Nathan Deal".

Nathan Deal

• Thank You to Our Sponsors •

From the MARC Board of Directors

It's been our privilege serving the Master Amateur Retriever Club as members of the Board of Directors. We've had a wonderful and exciting time and want to provide a brief update on our progress as we embark on our first Invitational event. We also want to sincerely thank you for your support and encouragement during the past year.

Since announcing plans for our Club a little more than 12 months ago, we received our license from the AKC, launched a successful and growing membership program, created the MARC website and newsletters to all members of the hunt test community, recruited dozens of volunteers and organized our first National Event. We've learned a lot along the way and all of you have contributed to the success of our programs.

Guns up the morning of Sunday, April 23, for the inaugural MARC Invitational will include 150 dogs and 108 handlers from across the country competing in three flights. Thanks to the generosity of the area's landowners, we secured more than 25 world-class retriever training and test properties. We also have a full calendar of social events and published the commemorative training guide you're reading. Sponsors donated thousands of dollars in merchandise that we, in turn, are giving to our handlers.

While there are many people and organizations to thank, we are especially grateful to our two charter sponsors that have made significant long-term commitments to the future of MARC and our focus on the amateur handler. Dean Reinke and PURINA have provided important financial support and dog food products along with handler contributions. David Carrington and AVERY SPORTING DOG have donated equipment for the tests and hundreds of items as gifts for our handlers and judges. Both charter sponsors have provided their wisdom, encouragement and experience. We can't begin to express our appreciation.

The team members at Retriever News and EntryExpress have been the backbone of MARC's operations, supporting all of our infrastructure, communications and tracking and registration for the Invitational. Other important sponsors include Dogtra, Garmin, WetMutt, UpClose Photo and Gerbino and Associates, Inc. All are contributing to the success of our Club and the Invitational – we thank you!

We would be remiss if we didn't give a shout-out to the many volunteers who have devoted countless hours to the Invitational and have also given significant personal financial support. They've done so for the love of our dogs and the camaraderie of our sport.

It's been one heck of a year so far and we look forward to reporting back to you after the Invitational. Thank you for your interest in MARC – comments and suggestions are always welcome!

Cordially,

MARC Board of Directors

MASTER AMATEUR RETRIEVER CLUB – Who We Are

The Master Amateur Retriever Club (MARC) was established in 2016 as a national retriever club dedicated to the amateur handler. MARC believes that amateurs are the purpose and backbone of the AKC Hunting Test for Retrievers program and will support and encourage their involvement in the sport. As stated in the Club's by-laws our mission is to:

- *Promote and protect the breeding, field training, hunting traditions and best interests of all retriever breeds and those breeds qualified to enter American Kennel Club ("AKC") Hunt Tests for Retrievers.*
- *Promote the interests of amateur owners and trainers of hunting retrievers.*
- *Conduct each year a Master Amateur Invitational Hunting Retriever Test, licensed by and conducted under the AKC Regulations and Guidelines for Hunting Retriever Tests.*
- *Diligently protect the American hunting tradition while practicing conservation of our game resources with the use of trained hunting retrievers.*

Membership

Voting membership is available to amateur individuals and clubs engaged in AKC Retriever Hunting Tests. Associate – non-voting – membership is available to anyone interested in supporting the Club's mission statement. Beginning with the qualifying year for 2018, handlers must be active members in MARC. Full membership information and subscription forms can be found on our website:

www.masteramateur.com/membership

● History of the Master Amateur RC ●

A LOOK BACK AND FORWARD

As far back as 2012, discussions were held by the Master National Retriever Club about an amateur division for the national hunt test event. That idea was included in concepts developed at a strategic initiative conference in early 2014, that and other concepts were circulated to member clubs for input. In the spring of 2015, MNRC Vice President Jace Tramontin, with the approval of the Club President, formed an exploratory committee to discuss the idea of an amateur division for the MNRC. On the committee were two former MNRC Presidents, John Blackbird and Dave Kress, MNRC Secretary Elaine Goodner, MNRC Directors Keith Winch and Bob Swift, along with Frank Prendergast and Bob Montler.

The committee began to reach a consensus in favor of an all amateur event and came to the conclusion that the best way to achieve that would be to form a new national club. Organizing documents were developed and presented to the AKC Performance Events Department. Following a positive response from the AKC, the committee was tasked with appointing a Board of Directors for what would become the Master Amateur Retriever Club (MARC). The committee completed its mission and disbanded in December 2015 and a new national amateur retriever club was reality.

In January 2016, MARC existed in name only. The club did not have a charter, final approval from AKC, any members, a communication portal to the retriever community, a process for identifying or recording qualifications for the proposed Invitational and did not have a bank account. However, by February of 2016 we had, thanks to our partners at Retriever News and Entry Express, a functioning website, an email newsletter that goes to over 8,500 recipients and a process in place for identifying amateur handlers for the qualifying year beginning March 1, 2016.

More importantly, we had final approval from AKC for the club and the annual Master Amateur Invitational. The MARC Board of Directors began planning for the Inaugural Invitational, reviewing the original Constitution and By-Laws and developing Policies & Procedures to guide the Board and its activities and establishing a base for the future.

In response to the community MARC instituted an individual membership program. What we heard from the community was a desire for greater engagement and communication on an individual level. The Charter Membership program was initiated at a per member cost of \$500. A target of 100 members was expected and there are now a total of 174 Charter members. As of April 1, we have a total membership of 340 families, individuals, clubs and associates. We are growing and feel honored and blessed to serve the amateur retriever community.

The response to the membership program is both gratifying and challenging. It has provided MARC with a solid financial footing. More importantly, it has demonstrated a depth of support for our mission of supporting and promoting amateur involvement in the AKC Retriever Hunt Test program. Our challenge is now to move that program forward and deliver on our mission.

The Inaugural Invitational will be held in Cairo, Georgia beginning on Saturday, April 22, 2017. The 150 dogs entered and their amateur handlers will be establishing a new set of traditions for this annual event. On behalf of the Board Directors, we wish them all good luck and safe travels. The Board is also grateful for the strong support and engagement by members of the retriever community from across the country and in all venues.

Our friends and partners at Retriever News and Entry Express have been invaluable with advice and support in all communications efforts and in tracking our amateur handlers. Our corporate sponsors, especially our Charter sponsors Purina and Avery, have been particularly generous. We have been warmly welcomed by the folks in and around Cairo. Special recognition and thanks goes to the landowners of our Invitational sites, John and Mary Stracka, Ken and Brenda Neil and Laurie and Glen Williams. Members of the local retriever community have been most generous in providing their world class properties for pre-Invitational training.

Looking ahead to 2018; Sedalia, Missouri has been selected for the 2018 Invitational with a late May target date for the event, MARC will continue to expand our outreach to the broader retriever community. We are happy to welcome the PRTA (Professional Retriever Trainers Association) as a Charter member. MARC will look forward to expanding and strengthening its program by reaching out to national clubs as we seek common ground for opportunities that advance the retriever community.

The Board of Directors recognizes the broad support and individual effort that has allowed the club to advance. We appreciate that faith and effort as we look forward to expanding the base by working with all of our sponsors and members to advance the mission. MARC recognizes we owe our success to our members' desire for an amateur venue, to the support of AKC Performance Events as they endorsed the vision and finally to the many that have made all this happen.

**May your marks be pinned and your blinds lined ...
Good luck in Cairo!**

RIP SHIVELY & TOM QUARLES

Rip Shively

I am honored to be selected to judge the Inaugural Master Amateur. I live in Columbia, Missouri and am married to a wonderful and supportive wife, Allison, and we have two daughters, Audrey (14) and Cora (12), and three labs (all MH's) and one more on the way as I type. I love working with retrievers and enjoy training over testing and hunting with my dogs is even better. That said, I value the many friendships I have made over the years through the retriever community.

In terms of judging preferences, I am not a stickler for line manners although there has to be some level of control demonstrated. In terms of marking tests, I try to use the available terrain and cover when considering bird placement and like to see well-defined areas of the fall. While we all like to see a dog go out and step on every bird, I value a dog that recognizes the area of the fall and puts on a good sensible hunt. For blind retrieves, I like to see the line to the blind challenged and judge the dog's response to the handler more than the number of whistles. I have more respect for the performance that tries to stay on line and fight the factors than one that avoids the test. Lastly, I love watching these fine animals run and always root for the dog and handler to succeed. Best of luck to all participants, pass or fail I hope you cherish the dog you bring to the line and enjoy the time you have with them.

Hi – I'm Tom Quarles from Chewelah, Washington (a very small town in Eastern Washington just north of Spokane).

I grew up in Thermopolis, Wyoming where my Dad worked in the oil fields; we hunted and fished to help put food on the table. I went off to college at the University of Montana in Missoula to study Forestry. I continued hunting and fishing and a friend gave me my first Labrador – a Yellow bitch named Tammer (after the Tamarack tree). With the help of Dana Browne and Don Remein, I started training her and joined the Western Montana Retriever Club. That got me started in AKC Field Trials.

I joined the Redwood Empire Retriever Club in the early 80's and I have been involved in the AKC Hunt Test program ever since as an owner, handler and trainer. When the Master National was proposed I joined as a Charter Member.

After retiring from the Forest Service in 1983, I started Autumn Retriever Kennels in Eureka, California and began training full time. I moved the kennel to Washington in 1988; my wife, Katie, joined me in 1995 and we were married (at a Hunt Test!) in 1996. We share our home with eight Labradors – and Cassie (our cat, who actually runs the show!)

I am profoundly honored to be chosen to judge the inaugural event of the Master Amateur Retriever Club. Good luck to all!

Tom Quarles

BILL CUMMINS & TOM LEHR

Bill Cummins

I grew up in Norman, Oklahoma. My Dad had a cattle ranch just outside of town. Dad didn't hunt, but around the age of 10, I saw a man throw something in a pond, and a black dog jump in the water and retrieve it, I thought it was the coolest thing in the world – STILL DO!

I bought my first Lab (lab/shepherd mix) out of the local newspaper at age 15-1/2. Trained her to retrieve a 2X2 piece of wood about a foot long. Next duck season my younger brother and I took the dog, went to the farm and did some pond-jumping.

We shot two mallard drakes. The young dog swam out, pulled the tail feathers out of one, became scared and swam back. The pond had a lot of moss on it and there was no breeze. Nothing left to do but retrieve them ourselves.

We decided to take turns, my brother stripped down to his underwear, dove in, swam about 20 feet and retrieved his. I did the same, stripped down and waded out 20 feet to mine, it was only about 30 inches deep (LOL).

Next year the dog was more mature and retrieved ducks for us for the next 10-11 years. Then I bought a AKC registered Lab, and found out about Sooner Retriever Club.

First of all, I would like to thank the board members of the MARC for giving me the opportunity to judge the Inaugural Invitational. I am so looking forward to judging all of the great amateur teams from across the country!

I started my hunt test journey gunning for tests in 1990. I quickly realized how much fun that both the handlers and dogs were having and this naturally led me to purchase my first Golden Retriever in 1991. We quickly progressed through Junior and Senior and on to the challenges of Master. We got over that hump with the help of some good friends and training partners and finished our Master title. To date along with my wife Megan Baker, we have titled 10 Master Hunters. I wish to thank Megan for her help and support along the way. I have truly been blessed along this journey to have been to many beautiful parts of the country and have met countless great people along the way.

In the off season, I truly enjoy watching our dogs do what they have been bred to do in the duck/goose blind or in the fields chasing pheasants.

I hope that each team will enjoy each trip to the line in the Inaugural MARC Invitational and hope that you get rewarded in some way for all of the hard work and time that we spend with these awesome animals.

Tom Lehr

JOE ESCHERT & TIM LANDECKER

Joe Eschert

First and foremost I would like to thank the Master Amateur Retriever Club for selecting me to be one of its 2017 judges. It's an honor and privilege to be chosen! I know it comes with great responsibility and accountability. I want to wish all the owners/handlers the best of luck!

I am the owner and trainer of Wingshot Retrievers. I have been training, working and hunting dogs since 1970. I established the Pinelands Retriever Club of New Jersey in 1992 and have been President of Pinelands and Hunt Test Chairman for the last 25 years. I have been the Gun Captain of the South Jersey and Shrewsbury River Retriever Clubs.

I received my first hunting dog in December 1970. It was a Golden Retriever, a Tigathoe's dog out of a Torch Flynn breeding. I started training dogs for Field Trials and successfully competed in trials in the 70's and 80's. I presently have two Chocolate Labradors and a Golden Retriever. My kennel has dogs that have won and placed in Field Trials, and many of my dogs received their AKC Master Titles.

One of my other interests is decoy carving. I have won and placed in the US Nationals and the World Championship Decoy Competitions. I won the New Jersey Ducks Unlimited Carver of the year award in 1984.

I feel very fortunate and it is so gratifying to be able to share my passion with so many wonderful people and their dogs. It's all about the dogs!

I'm so honored and humbled to be selected as one of the judges for the first ever MARC Event.

What a privilege it will be to see so many of the best dogs and handlers in the country showing all of us the teamwork and skills it takes to be a truly "Great Master Dog!"

I was born and raised in Minnesota and since I can remember my Dad, "My Best Bud," took me hunting. We always had a hunting dog, but it wasn't until much later that I found out that all dogs aren't named "Damn It" and that they can do unbelievable work in the field.

My wife, Kim, was kind enough to let me start playing this game back when money was tight and with two young boys at home. She had no idea what she was in for! Our boys are grown now and are pilots in the US Air Force – "So Proud!"

Like so many others, it all started because of my love of dogs and hunting! I ran my first test in 1985. I passed my pup in Juniors and thought I was a big shot until I saw the Master dogs performing. Right then, I knew that I wanted a "Master Dog." For the past 30 years, I have been fortunate enough to train and judge dogs for a living and love every minute of it (almost)!

I know how much time, effort and hard work it took you to get here! Remember to have fun, keep working hard, believe in your dog and yourself, but most of all have a great time!

Tim Landecker

● Training/Test Site Rules & Regulations ●

A Guide to the Use of Training Properties

The following “Guidelines” list important considerations for the use of the pre-National Training Grounds and Invitational Test Grounds that are, thanks to the generosity of the owners, available for our use. These are in no way meant to cover every possible consideration. When in doubt, use common sense and courtesy. Remember, we are invited guests on these properties.

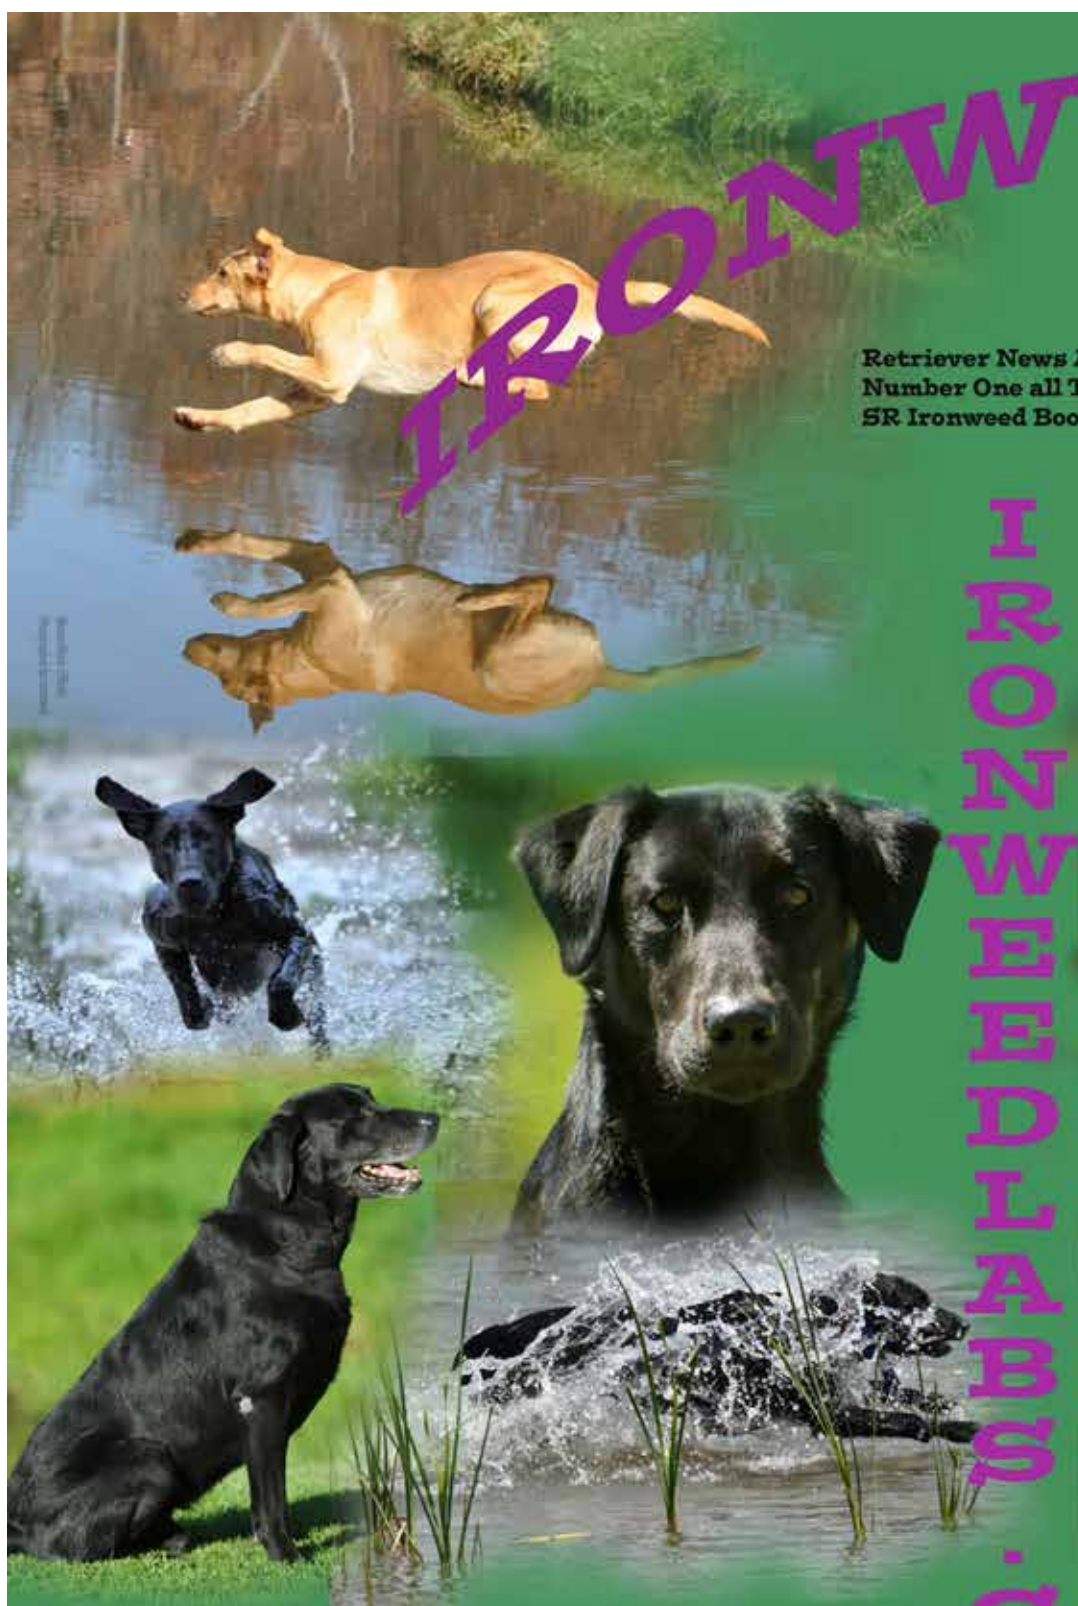

The Training Property sites are open from 8 am to 5 pm.

1. The properties listed in the Training Guide are all private grounds developed by their owners for the training of their dogs. We are their guests and should act accordingly.
2. The use of these grounds shall be coordinated through the Hunt Test Committee and the random draws for property use.
3. No one may contact owners for individual or group use or access these properties except through the HT Committee.
4. The regulations listed for each property are in addition to these general guidelines.
5. Unless instructed otherwise close and secure all gates at all times.
6. Remove all of your trash, including spent shells, dead birds and any other trash you find. Do not leave food scraps or spilled dog food on the grounds. Some properties specifically prohibit feeding on the grounds.
7. Keep vehicles to the edges of fields and away from pond banks. Access fields only with UTV's or 4-wheelers.
8. Be wary of livestock and neighbors. Never shoot in the direction of any visible residence.
9. Unless otherwise noted, smoking on any property is prohibited, except in a closed vehicle.
10. Stay well away from kennels and residences.
11. Dead birds must be disposed of only in locations provided by the HT Committee. Anyone found leaving dead birds on the ground or improperly disposing of dead birds anywhere will be barred from all training grounds and subject to further sanctions by the HT Committee.
12. Spring brings thoughts of romance to more than people. Alligators become active as temperatures warm. Poisonous snakes get more active as well. Be especially cautious around shoreline cover. Never enter or allow your dogs to enter any water that has not been checked for gators or other hazards.
13. Fire ants are endemic in the South. Their bites are a painful nuisance at best and can be serious for folks with allergies. Be wary of where you walk and place birds. Birds left on the ground for even a short time can draw those hungry critters. Use plastic bags or buckets and make sure hanging birds are far enough off the ground.
14. BY ENTERING ANY OF THESE PROPERTIES YOU ACKNOWLEDGE THE RISKS INHERENT IN OUTDOOR SPORTS WHETHER SUCH RISKS ARE APPARENT OR HIDDEN. ALL PARTICIPANTS ACCEPT THOSE RISKS AND AGREE THAT THEY ALONE ARE RESPONSIBLE FOR THE HEALTH AND SAFETY FOR THEMSELVES AND OTHERS IN THEIR GROUP. PARTICIPANTS, BY THEIR USE OF THE PROPERTIES, ACKNOWLEDGE THAT THEY HOLD THE PROPERTY OWNERS, MARC, ITS OFFICERS AND MEMBERS HARMLESS AND FREE OF ANY LIABILITY FOR ANY ACCIDENTS, INJURIES OR DAMAGE TO THEIR PERSONS OR VEHICLES. ENTERING ANY THE PROPERTIES IS FURTHER SUBJECT TO THE PARTICIPANTS' AGREEMENT TO BE HELD FULLY RESPONSIBLE FOR ANY DAMAGE, ACCIDENTAL OR OTHERWISE, TO THE PROPERTY AND ANY ANIMALS, FACILITIES, BUILDINGS OR EQUIPMENT LOCATED ON THE PROPERTY.
15. *Enjoy these wonderful properties. But, please, be courteous to the land owners and their neighbors.*

WELCOME Y'ALL TO THE
INAUGURAL 2017 MASTER AMATEUR INVITATIONAL
— Congratulations On Your Qualification(s) —

Welcome to this brand new celebration held in Cairo, GA. We wish all of you “Good Times” and a “Great Event.” Now is the time to bring your very best ... So this is everybody’s first Inaugural 2017 Master Amateur Invitational. “Hustle” and his kennel sisters “Pixie” and “Hope” and brother “Kid” are excited to be here in spirit.

May you have the time of your life, as we did with our human friends and family before we crossed the bridge.

A special “Good Luck” to our kennel brother, “Powers” MNH; 9 years old and kennel sister, “Faith” MNH6; 12 years old will be cheering him on from the sideline.

Sincerely, Hustle, Pixie, Hope and Kid

— Hustle, Pixie, Hope and Kid we miss you. What a joyful reunion it will be when we cross that bridge and you all meet us ready for your next National.

We love you, Mom and Dad Kress

Best of luck
to ALL Handlers and
Dogs at the Inaugural
Master Amateur
Invitational!

CANINE SPORTS MEDICINE & REHABILITATION

Erin O'Connell, PT, CCRT

"It's the first Master Amateur Invitational. The training is done - you and your dog have put in the hard work it takes to get here. When you walk up to the line, I want your dog to feel and perform its best - peak performance when it counts. That's one of the most rewarding parts of my job."

ERIN O'CONNELL

is the only Canine Certified Physical Therapist in the region. She has more than 25 years of experience providing rehabilitative services to canines - and humans - as a licensed physical therapist.

CANINE SPORTS MEDICINE & REHABILITATION'S

mission is to help your dog achieve and maintain peak performance, through rehabilitative and preventative therapy before, during and after the trials.

To learn more, contact:
Erin O'Connell
