• WELCOME •

On behalf of the Master Amateur Retriever Club Board of Directors, I want to welcome you to the postponed 2020 Master Amateur Invitational. Congratulations to all qualified handlers who persevered through 2020 and all of its uncertainties. We can all be thankful and proud to be here participating in the sport we love. Each volunteer member of the Board of Directors has worked diligently to ensure this event would occur in our western region. A special thank you goes to Laura Judd and Ted de Looze, the vice president and the director of the western region. These two individuals have spent countless hours organizing and coordinating the many details which will make this Invitational a success.

I also want to thank the Marin Retriever Club for their valuable help during setup week and Julie Cairns (our 2020 John Blackbird Award recipient) who put together our Training Guide and is our hospitality hostess. A heartfelt thank you also goes to Mr. Brad Henman and his staff at Clear Creek for being so accomodating .

Again, congratulations and welcome to the long overdue west coast 2020 Master Amateur Invitational. I wish you all good fortune. Be safe, enjoy yourselves and hug your dogs.

Sincerely,
Fred Nusbickel
MAI President

• WELCOME •

WELCOME TO THE GOLDEN STATE!

2020 is finally behind us. In retrospect, 2020 will likely leave an indelible imprint on us for generations to come as we collectively learn how to navigate in our post pandemic world. Lets cherish the time we can enjoy with our dogs. You and your dogs have worked so hard to be here. Please enjoy the moment knowing this will be a very special week for all of us! If you need anything don't hesitate to contact any Marin Retriever Club member, they have called these grounds home for club events for over ten years.

Please take an extra day and visit some of what we have to offer! From Corning you are about two hours drive away from the Napa and Sonoma Valleys, some of the most spectacular wine country in the world. Another hour will put you in the fabulous city of San Francisco. Just west towards the coast are the world's largest trees, the Redwoods, some of which tower over 250 feet tall. Locally, the region is home to olives and several local olive oil companies offer tours. There is also winery that is run by a monastery in nearby Vina (New Clairvaux). It boasts a Spanish chapel originally built in the 1300's and transported brick by brick to California by William Randolph Hearst in the 1930's. It is less about 20 minutes away! Participating in this fourth annual Invitational is the culmination of two years of preparation, beginning immediately after the last event ended in Butte. Butte will be hard to beat, but we're going to try!

Our special thanks to Brad Henman and his crew who are so gracious and helpful and allow us to host our events on this special property.

How proud are we that after only four events in five years, AKC has acknowledged us as a national organization and graced us with our own AKC title, Master Amateur Hunter MAH. We are so grateful that our efforts have been recognized in this manner which will enhance our mission even further. Its all about the dogs!
Have a great week in California!

Laura Judd
Laura Judd,
Hunt Test Chair

• Thank You to Our Sponsors •

Just five short years ago, the Master Amateur Retriever Club held its first Invitational in Cairo, GA. Flash forward to 2021, and the club is hosting the rescheduled 2020 event and the fifth anniversary Invitational—both within a month of each other—and on opposite coasts.

Holding two events would have been impossible without the partnership, support, guidance and constructive criticism from organizations and individuals that have provided direct funding, services and product donations to make us successful. Saying thank you is hardly enough.

We are especially grateful to our two charter sponsors that early in our history made significant long-term commitments to the future of MARC and the amateur handler. Purina provides financial support and dog food products along with handler contributions and Avery Sporting Dog donates equipment for the tests and hundreds of items for our handlers and judges.

The teams at Retriever News and EntryExpress have supported our operations and communications, including tracking and registration for the Invitationals. They have lent their expertise and creativity to support the Training Guide and event blogs; this summer, Retriever News will publish special coverage of the Invitationals.

Returning major sponsors include ADI Workplace Acoustics, Dogtra, Garmin, Kent Cartridge and Zinger-Winger—all provided top-of-the-line equipment for our use. Gerbino and Associates created striking MARC and Invitational logos and graphics, providing us with our distinctive identity. And throughout the competition, UpClose Photo will photograph all of the dogs and handlers so we have lasting memories after our events.

To everyone here this week, please say hello and thank you to our sponsor partners who have joined us. When you go home, buy their products and services, and remind your fellow handlers how these companies support our sport and the amateur.

Even though I can't say it enough, thank you to all of our partner sponsors! We couldn't do it without you!

Cordially,
Betsy Pohl
Corporate Sponsor Liaison

Thank you!

... to our generous Sponsors!

MASTER AMATEUR RETRIEVER CLUB – Who We Are

The Master Amateur Retriever Club (MARC) was established in 2016 as a national retriever club dedicated to the amateur handler. MARC believes that amateurs are the purpose and backbone of the AKC Hunting Test for Retrievers program and will support and encourage their involvement in the sport. As stated in the Club's by-laws our mission is to:

- *Promote and protect the breeding, field training, hunting traditions and best interests of all retriever breeds and those breeds qualified to enter American Kennel Club ("AKC") Hunt Tests for Retrievers.*
- *Promote the interests of amateur owners and trainers of hunting retrievers.*
- *Conduct each year a Master Amateur Invitational Hunting Retriever Test, licensed by and conducted under the AKC Regulations and Guidelines for Hunting Retriever Tests.*
- *Diligently protect the American hunting tradition while practicing conservation of our game resources with the use of trained hunting retrievers.*

Membership

Voting membership is available to amateur individuals and clubs engaged in AKC Retriever Hunting Tests. Associate – non-voting – membership is available to anyone interested in supporting the Club's mission statement. Beginning with the qualifying year for 2018 and going forward, handlers must be active members in MARC. Full membership information and subscription forms can be found on our website:

• John O. Blackbird Memorial Award •

The retriever world lost a leader, a friend, a mentor and a staunch advocate with the unexpected passing of John Blackbird on September 9, 2017.

The purpose of the John O. Blackbird Memorial Award is two-fold. First, it is to honor, celebrate and perpetuate the life lived, the accomplishments, the lasting influence and legacy of John Blackbird.

Secondly, it is to honor a recipient who has demonstrated through their own work and efforts that they, too, have made significant contributions to the retriever hunting test program through training and handling retrievers as an amateur. Also, working and judging local hunting tests, being a leader in local, and perhaps regional or national clubs, and mentoring and supporting others in the retriever games.

The award will be presented at the MAI and may reflect the work a person does to work within or for the MARC and MAI or the effort to bring a dog to a national event. But, this award isn't just about a single event. This memorial/award is to recognize those folks that are cut from similar cloth as John Blackbird. An individual who not only shows up to an event and makes an impact, but also makes an impact on the retriever world throughout the years wherever they go. A person who is dedicated to the local clubs at the grassroots level, a "worker bee" when needed or a chair or secretary, someone who is a mentor to others, a person who trains and handles their own dogs to the highest level.

The work the individual does at the local level is perhaps even more important than what happens on the national stage. No person gets to a national event without going through a number of local weekend tests. What people do in their own backyard is paramount to their future success regardless of what stage or venue it may be.

John O. Blackbird
May 19, 1947 – September 9, 2017

CRITERIA

Please consider these criteria when making a nomination for this award. All of these criteria need to be met for an individual to be considered for nomination.

- An amateur handler.
- Does not need to be a member of the MARC.
- Active in the retriever hunting test program as an amateur handler.
- Active in their local club(s) as a dedicated and reliable worker at events, serve in positions such as club officer, board member, event committee chairperson, secretary or committee member.
- Active as a retriever hunting test judge.
- Through one's individual efforts have made numerous and long lasting impacts for the betterment of the retriever sports/clubs/events.
- Consider other qualities, characteristics and personality, deemed appropriate.

HOW TO NOMINATE

Any person(s), regardless of MARC membership, can nominate an individual for this award. Multiple parties may nominate an individual and/or a club or group of clubs may submit a nomination.

Complete the Nomination Form located on the MARC website at www.masteramateur.com, the MARC Facebook page or contact any member of the Master Amateur Board of Directors. There are two ways in which to submit the Nomination Form;

- 1) print, complete and mail the form to the contact outlined at the bottom of the Nomination Form OR
- 2) complete the digital Nomination Form found on the website.

The Nomination Form shall include the name of the nominee, the nominee's address, phone number and email, and list the nominee's home club(s). Also include a narrative of the accomplishments, leadership positions and other evidence, which supports the work, character and lasting impact the nominee has had on the retriever community.

The person(s) and/or club or group making the nomination must include their own personal contact information so the selection committee may reach out to them for further questions or details, if needed.

— Nominations are due no later than January 1st —

Nominations will be submitted to the Chairman of the John O. Blackbird Memorial Award Committee as appointed by the MARC Board of Directors.

After all nominations have been received, the MARC Board of Directors, and/or special committee, will review the nominations and supporting evidence and may also make separate inquiries vetting the nominees to determine the recipient of the award.

JOHN O. BLACKBIRD AWARD

The recipient will be announced at the Handler's Meeting/Opening Ceremonies of each MAI. There will be a "perpetual" plaque to be displayed at each MAI that will outline recipients name and year awarded. An individual award will also be presented to the recipient. The award recipient need not be present to receive the award.

2020 John O. Blackbird Memorial Award Recipient

The second recipient of the annual John O. Blackbird Memorial Award is presented to a lady we feel truly represents the ideas, passions, compassion and other qualities emulated by the late John O. Blackbird. The Master Amateur Retriever Club's Board of Directors is pleased to honor Julie Cairns with this heartfelt, prestigious award.

Many hobbies and interests have come and gone in Julie's life, but the one constant passion has been her love of retrievers and field training. Ever since she was a teenager, Julie has had Golden Retrievers and fate would step in the day she found herself with one that wanted to retrieve all of the time. She soon discovered a local retriever club and after a phone call and club meeting she became involved with the Redwood Empire Retriever Club (RERC). RERC was primarily made up of hunters who ran field trials on the side and with their encouragement she and her husband began hunting in the fall.

The Redwood Empire Retriever Club held the first Sanctioned Hunt Test on the West Coast in 1984 and a year later Julie judged the Junior stake at the first licensed hunt test on the West Coast. Soon she was judging all test levels as well as field trials.

Julie has judged the Master National three times-1995, 1998 and most recently in 2019. She also judged the 2018 Master Amateur Invitational in Sedalia Missouri in 2018.

Julie has served as a leader in the national stage. She was on the original Board of Directors of the Master National Retriever Club in 1991-92 when the name of the organization was selected and the by-laws were drafted. She served another stint on the MNRC Board until 2006 when she was President. For ten years she was the Editor/Publisher of the "Hunt Test Know How" Newsletter, a publication to help improve the understanding of hunt test training, testing and judging.

Over the years she has had many wonderful Golden Retrievers that she has trained and titled at all levels. Currently she has a female black Lab Master Hunter.

• 2020-21 Judges •

Jeff Bundy – Omaha Nebraska

First, I am humbled and honored to have been selected to judge the 2020 MAI. I would like to congratulate everyone who has qualified for the national. You should be proud of your team's hard work and accomplishment.

Dude was the first lab I owned in the early 2000's. The owners had bought him to be a potential stud dog, but he was washed out due to poor hips. Dude was at the senior level. I wanted a dog to hunt with, but quickly changed my mind once I saw what he could do. I trained as often as I could with a training group and eventually put a master title on him. From that point on I was hooked on hunt tests. Since then I have titled five master dogs, qualified two dogs at the 2018 MAI, placed in a few quals and actively judge hunt tests and minor stakes in field trials.

Besides throwing birds at training days and hunt tests, I am an active member of the Nebraska Dog and Hunt Club and am a board member of the Missouri Valley Hunt Club. The dog game has introduced me to several new people throughout the country. Some of them are now dear friends. If it would not have been for the sport, I would have never met these people.

Ray Shanks- Mississippi

I would like to start by expressing my appreciation to the Master Amateur Retriever Club for giving me this opportunity to give back to our sport.

My journey began in 1999 when I purchased my first Lab and shortly thereafter began running hunt test. It was training my own dog and spending the weekends outdoors that gave me the "itch" to do more. As a trainer for 20+ years, I have had an integral part of a "few dogs" joining the elite group~ Master National Hall of Fame.

My wife, Melissa, and I enjoy running hunt test and hunting together as much as possible. She and I have put our own three dogs in the Master National Hall of Fame:

HRCH Swamp Run's Go Get Em Gator MNH7
Pop's Lucky 13 MNH6
Swamp Run's Gotcha Talkin' Now MNH4

Gator and Lucky have left us now, but Melissa is still campaigning Gabby. I have a new one making her way to the game. As an avid waterfowl hunter, I am fortunate to be able to hunt at least 50 days a year. My reward is being able to hunt with dogs I trained and see the joy in the faces of my clients as they see their dogs reach their ultimate potential.

Even though The Greater Atlanta and Magnolia Retriever Clubs are my home clubs, I feel it is always important to support any club by not only entering, but be willing to help as needed. I look forward to spending time on the other side of the line watching great dog work. Congratulations to all who qualified and best of luck to all who enter.

● Training Site Rules & Regulations ●

A Guide to the Use of 2020-21 MAI Training Properties

The following “Guidelines” list important considerations for the use of the pre-Invitational Training Grounds, thanks to the generosity of the owners, are available for our use. These are in no way meant to cover every possible consideration. When in doubt, use common sense and courtesy. Remember, we are invited guests on these properties. The Training Property sites are open from 8 am to 5 pm.

1. The properties listed in the Training Guide are public and private grounds. We are their guests and should act accordingly.
2. The use of these grounds shall be coordinated through the Hunt Test Committee and the random draws for property use.
3. No one may contact owners for individual or group use or access these properties except through the Hunt Test Committee.
4. The regulations listed for each property are in addition to these general guidelines.
5. Unless instructed otherwise close and secure all gates at all times.
6. ***For all properties in the Training Guide – Please stay on the roads or trails.***
7. Be wary of livestock and neighbors. Never shoot in the direction of any visible livestock or residence.
8. Unless otherwise noted, smoking on any property is prohibited, except in a closed vehicle.
9. Remove all of your trash, including spent shells, dead birds and any other trash you find. Do not leave food scraps or spilled dog food on the grounds. Some properties specifically prohibit feeding on the grounds.
10. Stay well-away from residences.
11. Dead birds must be disposed of in plastic bags in approved trash containers or may be dropped at the main Test Grounds where they will be disposed of properly.
12. By entering any of these properties you acknowledge the risks inherent in outdoor sports whether such risks are apparent or hidden. All participants accept those risks and agree that they alone are responsible for the health and safety for themselves and others in their group. Participants, by their use of the properties, acknowledge that they hold the property owners, MARC, its officers and members harmless and free of any liability for any accidents, injuries or damage to their persons or vehicles. Entering any the properties is further subject to the participants’ agreement to be held fully responsible for any damage, accidental or otherwise, to the property and any animals, facilities, buildings or equipment located on the property.
13. Enjoy these wonderful properties. But, please, be courteous to the State of California, the landowners and their neighbors.

A Guide to the Use of 2020-21 MAI Test Property

CLEAR CREEK SPORTS CLUB

Dog Event & Training Rules

BRAD HENMAN 530-520-9464 Clubhouse 530-520-4034

- No entry onto premise without permission other than during set dog events. Grounds are available at noon the day before the event until the last day of event when gates will be closed. CLUB CLOSED MONDAY & TUESDAY
- Training days and drop in dog exercise areas are available by reservation ONLY. Any person who does not call ahead will be considered to be trespassing.
- Must pick up all marking tape from field and signs
- All visitors must check into office before heading to training area to pay training fees and sign liability forms.
- Birds are available by request and must be made 48 hours in advance
- Dog exercise area is at the front of ranch that has been designated by all clubs for all events. Please only use that area unless authorized for another location.
- DO NOT air or train dogs on north side of casino in open lot towards horse arena.
- Park only in designated areas
- Obey all 15 mph speed limits while on property
- Do NOT dispose of any dead birds into club dumpster
- Dumpster is only available for participants during events, do not use otherwise.
- Trailer dry camping during events is \$15 per day, these fees go back to the clubs to help pay for event.
- Storing of trailer during the week before or after event is available for \$20 a week. Must call ahead to make arrangements
- NO outside birds allowed unless authorized by Clear Creek Sports Club
- Stay on gravel roads, any vehicle stuck in area that is off limits will be charged \$150 and will be responsible for getting out and all repairs of area.
- All four wheelers must stay on pathways
- Violations of rules will result in the following :
 - First – verbal warning – chairperson informed
 - Second- evicted from grounds for event
 - Third – Not allowed on property for any event or training with AKC complaint

Please call with any questions or concerns.

● Training Property #1 ●

TRAINING PROPERTY # 1 GPS 40° 16'18.36- 122°11'47.58

JELLYS FERRY, RED BLUFF

Jellys Ferry is 17,000 acres of open space public property. It is BLM lands open to anyone, easily accessible off I-5 North. Depending on rainfall totals, there are numerous ponds and puddles scattered throughout the property. The grounds are flat and rolling hills dotted with oak trees. It is a first come first serve, as it is public property it cannot be put into the drawing. We will not put a MARC training property sign up here.

Access roads are all nice one lane paved roadways with paved parking pull-offs. Flyers are allowed, but be aware as this is *open to the public*, you will occasionally have hikers and horseback riders nearby. In the spring you also need to be aware of wildlife, especially rattlesnakes. There is plenty of training opportunities here, and the terrain is very similar to Clear Creek.

Dry camping is allowed. For more details, google Payne Creek wildlife area.

I-5 north, take the Jellys Ferry exit. Follow the winding road about 5 miles off the freeway to the entrance of the wildlife area. It is well signed.

● Training Property #4 ●

TRAINING PROPERTY #4

NOBLES RANCH – 40 ACRES – LAND AND WATER

5201 Huggins Road, Corning

Please call the owner when the training group is on the way so he can put his dogs up. ATV's OK, but please stay on roads, especially if the ground is wet!

14 miles from Casino. From Hwy 5 North, take exit 636 (Gyle Road) turn left on Gyle Rd., drive about 5 miles. Turn right on Paskenta Road. Drive 2.13 miles, turn left onto Rancho Tehama (If you are on Paskenta and reach Huckleberry, you've gone ½ mile too far) then drive 5.13 miles. Turn left to stay on Rancho Tehama, drive another mile. Turn left onto Huggins Road (just past Troutbrook Rd) drive .06 mi to 5201. Yes, its at the top of the driveway, on the left. Pond is dependant on rainwater and might be low without rain, but there is one part where its always deep enough.

Please call the owner when the training group is on the way so he can put his dogs up.

ATV's OK, but please stay on roads, especially if the ground is wet!

Congratulations and best wishes to all 2020-21 MARC Qualifiers
