1	B	Had the time of my life, a GREAT experience and memories for me and my dogs!	7/2/2021 9:44 AM
2	B	I really wish we wouldn't have had to run our series so long each day. It would have been much more enjoyable to be able to spend time with fellow handlers in the evenings.	7/2/2021 9:14 AM
3	B	Too many "no birds"	7/1/2021 1:35 PM
4	B	management of flight, flights finishing day apart.	7/1/2021 1:23 PM
5	B	Time management by judges and stake marshal could have been better	6/30/2021 2:01 PM
6	B	We really liked having all the ceremonies, meetings and parties on the grounds rather than in a hotel.	6/28/2021 9:21 PM
7	B	So many people worked so hard. Great team effort from everyone.	6/28/2021 6:49 PM
8	B	Time management was terrible. Judges sacrificed strong dogs in the fifth series in an attempt to gain time for the next day. Set up for the next series was always at least 1 1/2 - 2 hours,	6/27/2021 5:41 PM
9	A	Super efficient. Very well run.	6/26/2021 12:01 AM

10	B	The best you could have done under the circumstances	6/25/2021 5:08 PM
11	A	Our workers were fantastic! We were a well oiled machine. Judges were fantastic and very dog friendly.	6/25/2021 2:35 PM
12	B	Most friendly, most caring and most fairly judged test I have experienced. Bravo!	6/25/2021 11:47 AM
13	A	The event was under extreme pressure due to having to reschedule California and COVID. Both had negative impacts on Virginia event	6/25/2021 10:56 AM
14	B	Beautiful grounds & awesome, fun judges!	6/25/2021 10:29 AM
15	A	Okay,so I am a handicapped person, it would have saved me a lot of discomfort walking back and forth to the line if accommodations for a few cars with handicapped stickers were available near the line. I was told that a buggy would bring me and dog back and forth. My dog has never been in a buggy further I had no way of communicating with whoever to get a buggy to my location. I will say in the past this issue was handled very well	6/25/2021 10:08 AM
16	A	Very well run on beautiful grounds	6/25/2021 10:03 AM
17	A	Everyone worked very hard to deliver a great experience. It takes a lot of people to deliver this type of event and I believe the effort sometimes gets over looked by the people that qualified for the event. Thanks for all you do...	6/25/2021 9:29 AM
18	A	I was in A Flight and the event was one of the best, we all worked together and everyone stayed on the grounds to help set up and tear down. Our A Flight leaders and judges made the event a pleasure to run. The awards ceremony was well done with the President and Secretary in attendance. This is what the Master Amateur is all about, thank you Judges and Stake Committee Leaders. Thank you Handlers for making this event fun to run.	6/25/2021 9:18 AM
19	B	I think that the difference in test times between the two flights and the push of Flight A to finish quickly detracted from the overall intent and enjoyment of the event and created angst, anxiety, and discord between the two flights that did not need to exist.	6/25/2021 9:15 AM
20	B	there was an inconsistency in bird throwers. perhaps MA could hire a couple of throwers to work the tests.	6/25/2021 8:44 AM
21	B	As much as I think everyone should pitch in, there comes a time that it would have been helpful to have a core few bird boys in the field to make sure everything ran smoothly, timely and consistently. Also, everyone likes being recognized for their hard work but (coming from someone that hates to be singled out for doing a great job) I think it is a combined effort member club and I think Recognitions & Presentations could be shorter - just my opinion.	6/25/2021 8:25 AM
22	A	Nice event, would have been much better if masks were not required earlier to allow for all 'extra' events such as worker party etc.	6/25/2021 8:13 AM
23	A	I had a marvelous experience at my very first Master Amateur Invitational.	6/25/2021 8:02 AM

| 13 | B | I think that the tests as planned by the judges were way better than what they became when the hunt test committee (and others who should not have even been involved!!!) got involved with insisting that they be changed. In the end, we ended up with some late series items that I know our judges did not want. In some cases these made the tests easier (maybe not appropriate for a National Event) and in some cases way harder! I think this could easily be solved if we reconcile that this is a 6 to 7 day event and not a 4 day event! | 6/25/2021 9:15 AM |

1	B	The tests were good hunting scenarios, but there was far too much logistical nonsense at the line which negatively affected time management.	7/2/2021 9:14 AM
2	B	Some yes and some no. Could have been better.	7/1/2021 3:51 PM
3	B	I think they were as good as they could be. The stations were very well brushed up and there really was nothing visible from the line. Overall a very good job.	6/28/2021 9:21 PM
4	B	most were	6/27/2021 10:18 PM
5	B	As much a scenarios go.	6/27/2021 9:46 AM
6	A	Series 3 in A was designed to eliminate dogs not test them. In my opinion it promoted a good opportunity for a dog fight.	6/27/2021 7:43 AM
7	A	Some series yes other series not so much but any scenario (weekend HT, MAI, MN) seems a bit contrived in my experience. As I hunt by myself the number of triples with a double blind my dogs encounter in real life are pretty limited. Not so sure many handlers (at least in AKC) care all that much about how closely a test mimics actual hunting conditions - I certainly don't.	6/26/2021 8:05 PM
8	A	Breaking tests,only challenge.not impressed with setup.	6/25/2021 12:14 PM
9	B	Good enough	6/25/2021 11:47 AM
10	A	Yes and no , most series were excellent, but in hunting , shooting a duck at 150 yards is very unlikely	6/25/2021 10:08 AM
11	B	Sure	6/25/2021 9:24 AM
12	A	The tests were set up to get more difficult as the series progressed. The dogs and handlers	6/25/2021 9:18 AM

had to work as a team to succeed. Nothing unfair was thrown at us but there was a lot puckering in the last two series.

1	B	And they didn't rush it to keep up with the other flight which was nice!	7/2/2021 9:44 AM
2	B	Again, too much time was lost to logistical management at the line. During the setup week, I don't think series were effectively timed to include line management, so we fell way behind.	7/2/2021 9:14 AM
3	B	Yes and no both flights should be together at the end for awards by	7/1/2021 9:11 PM
4	B	they where not keep in line and time was lost between dogs, flight management issue	7/1/2021 1:23 PM

10	A	Excellent	6/25/2021 2:35 PM
11	B	Master B judges did not seem to have a sense of urgency to keep things moving. Therefore, along with slow transitions between tests, our stake ended up a day behind the other.	6/25/2021 2:24 PM
12	B	Had unfortunate things happen to slow it down	6/25/2021 11:08 AM
13	B	Given, all the no birds from inexperienced volunteers in the field, the judges did the best they could.	6/25/2021 10:29 AM

16	A	Very efficient.	6/25/2021 10:03 AM
17	A	The Judges and the Stake Chairs located the holding blinds and tents near the line so we could keep the event going. We finished as the other previous events finished on Thursday afternoon. I guess we would have been right on time , not early or late.	6/25/2021 9:18 AM
18	B	I think that for flight B our judges gave too many instructions (sometimes confussing), our stake marshall did not help with time management to the extent I feel they should have, we had lots of untrained volunteers that we could have done a better job training, and we used way too many peninsulas as starting locations which made it difficult to get dogs in and out. We also had lots of handlers who did not listen to and follow the judges instructions on how to get to and leave the line!	6/25/2021 9:15 AM
19	A	Very good time management	6/25/2021 9:04 AM
20	B	not sure without knowing about the other test.	6/25/2021 8:44 AM
21	B	Some series yes and a couple no but that could have been a combination of several people's fault	6/25/2021 8:25 AM

36	B	Have it somewhere there are other things to do when not running	6/25/2021 9:24 AM
37	A	More texting of information to the handlers. Closer training grounds, they were too far away.	6/25/2021 9:18 AM
38	B	Decide what type of event we are running! Is this truly a National Event that should be run at about 1 series per day (thus 6 days) or is this just another double master test that should be finished in 4 days! I vote for a true national event, one series per day!!	6/25/2021 9:15 AM
39	A	I think the entry fee was excessive. Also if you look at the age of the participants the majority were retired. If the MA is going to survive something has to be done to make it attractive to younger people. I wish I had a suggestion for that, but I don't	6/25/2021 9:03 AM

1	B	Very much!! Truly well organized and appreciated all the work that went into making it possible. Kudos to everyone who made it flow so great!!!	7/2/2021 9:44 AM
2	B	It's about the people.....	7/1/2021 1:23 PM

4	B	Had great fun	6/28/2021 6:49 PM
5	A	Not so sure the answer to the question should be binary. As a first time attendee that was there as a singleton (didn't go with friends or fellow members of a club or training group) it didn't feel like much more than an expensive, long weekend test where I got to work a day and a half in the field (3 shifts). Didn't make any new friendships or connections that I look forward to renewing in the years ahead. The grounds were beautiful and the time management by the judges and stakes marshal exceptional. The number of live flyers was also a bonus although it would be nice if they would go back to including pheasants for those of us who primarily use our retrievers to hunt upland game.	6/26/2021 8:05 PM
6	B	It was great to be able to join other amateurs and run my dog. Since Covid-19 made everything so difficult and uncertain the last year, it was wonderful to have the event go off as well as it did.	6/25/2021 2:24 PM
7	B	Not that much, too much work, nothing else to do, forced to be at test early for bitch check even if running late in the day	6/25/2021 9:24 AM
8	A	As far as A Flight it was the best and I would run with that group any time any where.	6/25/2021 9:18 AM
9	B	I would have enjoyed it a lot more if I'd had some time to visit with and help new to the event people instead of working till after dark every day. Only 1 evening was I able to meet with, encourage, and answer questions for some newbies. I would also have enjoyed it more if there wasn't this sense of competition and superiority between the two flights. That's got to stop!!!	6/25/2021 9:15 AM
10	A	Good group of competitors. Friendly good judges and people stepped in when volunteers thinned out.	6/25/2021 9:04 AM

19	B	I stayed at a Days Inn that I picked because of the better pricing than the host hotel. Unfortunately, the room had mice! Ack!	6/25/2021 10:29 AM
20	A	Hotel seemed understaffed, probably a COVID issue. Room not cleaned as requested, Loved having the restaurant in the hotel and the empty event center down the road provided excellent airing grounds. Was also convenient to have appropriate shopping and restaurants an exit away. Drive to the grounds could not have been easier.	6/25/2021 9:53 AM

#	FLT	WHAT RECOMMENDATION DO YOU HAVE? PLEASE EXPLAIN.	DATE
1	B	We need to leverage social media in a more official way. The text messages that were sent out had little value and were sent out way to late in the evening. There needs to be a dedicated effort made towards event management strategic communications.	7/2/2021 9:14 AM
2	B	Pretty much.	7/1/2021 3:51 PM
3	B	Seamed to be limited. not many	7/1/2021 1:23 PM
4	A	Must communicate where/when a new series is starting, and call backs.	6/29/2021 3:06 PM
5	B	Have a social media team post more pics and videos during the event.	6/29/2021 8:17 AM
6	B	I never got the text messages	6/28/2021 6:49 PM
7	B	Seemed incomplete and vague. Perhaps seasoned attendee could fill in the blanks, but as a first timer I was mostly clueless. I just showed up and hoped for the best.	6/26/2021 5:17 PM
8	B	For some reason, we were unable to receive the texts with info during the event. it didn't really matter as friends kept us updated. I'm not sure why my cell service did not accept them.	6/26/2021 4:08 PM
9	A	Texts were great!	6/26/2021 12:01 AM
10	B	Blog was delayed. Would have liked a print out of test setups afterwards	6/25/2021 11:06 PM
11	A	Make the text system work	6/25/2021 5:16 PM
12	B	Especially appreciated the nightly texts informing us of the time and dog number the following morning.	6/25/2021 2:24 PM

2021 Master Amateur Invitational Participant Satisfaction Survey (Emporia)

13	B	For check in, the text only had a starting time. Wish the text had stated the time range we could arrive for check in.	6/25/2021 10:29 AM
14	A	Better information should be texted and more frequent communication.	6/25/2021 9:18 AM
15	B	I will say that the Covid uncertainty and whether we could even hold an event was the main culprit here. I think we were also confused and unprepared by some of the IT changes that we choose to take on just prior to the event.	6/25/2021 9:15 AM
16	A	It was adequate. Still waiting on photos from up close tho.	6/25/2021 9:04 AM

1	B	Unsure yet, working on other goals.	7/2/2021 9:44 AM
2	B	If we qualify	7/2/2021 1:31 AM
3	B	Can't afford to chase these Nationals (31) any more, I'll wait for them to come back to the east coast. It's been a great run.....no regrets!	6/30/2021 2:01 PM
4	B	Would love to attend but I have one child graduating from college and another from law school the same weekend that it starts. I would highly recommend moving the event from the month of May with graduations and all that typically takes place in May.	6/29/2021 8:17 AM
5	B	I want a plate!,	6/28/2021 6:49 PM
6	B	????????? long distance from NY	6/27/2021 10:18 PM
7	B	Too far -	6/27/2021 5:42 PM
8	B	Maybe	6/27/2021 5:41 PM
9	A	Distance	6/27/2021 7:43 AM
10	A	Not sure why I would. Not so interested in pursuing the MAH title, didn't make any new training connections or friendships that I would look to renew in Sedalia, and get to see plenty of high quality dogs at weekend hunt tests during the year.	6/26/2021 8:05 PM
11	B	We're thinking about it but we don't know if we will attend. 1) It's a 2600+ mile drive RT for us 2) the accommodations seem to be pretty expensive. VRBO/AirBNB are limited and the Best Western State Fair was \$170/night last time I talked to them. 3) Not crazy about the number of ticks in Western MO that time of year. (I know - that's stupid :)	6/26/2021 4:08 PM
12	B	I teach and can't miss time.	6/25/2021 11:08 AM
13	A	If possible due to my dog aging out	6/25/2021 10:03 AM

16	B	Just didn't enjoy it that much	6/25/2021 9:24 AM
17	A	Yes and make sure the stake leader in Flight A is a Stake Leader in Sedalia.	6/25/2021 9:18 AM
18	B	Retired master dog	6/25/2021 9:04 AM
19	A	Unsure	6/25/2021 9:03 AM
20	A	yes, although I have a conflict currently with a trip to Iowa that I need to resolve.	6/25/2021 8:13 AM

1	B	Only concern was a person of high up authority had the binded book of all the set-ups (in the gallery) and would show it to random handlers before the next series even started. I was made aware when someone said "oh the next series is" I started paying attention and observed what was happening. Some handlers were even taking pictures of the set ups with their phones. I felt it was an unfair advantage and against AKC rules to be sharing this info.	7/2/2021 9:44 AM
2	A	Traffic was handled skillfully. Disappointed self serve photo station was blocked at conclusion of A.	7/1/2021 2:15 PM
3	B	None	7/1/2021 1:35 PM
4	B	Keep getting better!	6/30/2021 2:01 PM
5	B	With the new entry express system for entries by amateurs I suggest that when an amateur enters they receive an e-mail from the club asking them to join and sharing how they can participate in this awesome event for amateurs. I think the club would grow quickly with this one marketing strategy.	6/29/2021 8:17 AM
6	A	Beginning of May will be cooler.	6/28/2021 10:47 PM
7	B	I thought the judging was very fair with the exception of a few dogs in the fifth series that had to run into the low sun.	6/28/2021 9:21 PM
8	B	I don't think a pro should judge our event.	6/28/2021 6:49 PM
9	B	Hopefully it will not be as hot next year as it was in 2018. Can these be scheduled earlier in the year?	6/28/2021 10:42 AM
10	B	Hire workers, or I'm done	6/27/2021 5:41 PM
11	B	Enjoyed. You made me feel like u were glad I was there!	6/25/2021 11:47 AM
12	A	The organization needs to start thinking forward in terms of grounds and members going forward and look to adjust club approach for the future.	6/25/2021 10:56 AM
13	B	Hoping the training grounds for the Sedalia event are better maintained than last time we where there. The ticks where so bad. All 4 of the dogs I ran came down with Rocky Mountain Spotted Fever. Perhaps weed whacking and/or spraying could be encouraged by property owners by explaining how deadly ticks can be for dogs & people.	6/25/2021 10:29 AM
14	B	Great event....grounds were exceptional, great Judges, great hotel a fun event	6/25/2021 10:18 AM
15	A	Please keep this national event going	6/25/2021 10:08 AM
16	A	Please continue this event. I think many amateurs entered because the were testing with their peers...not pros	6/25/2021 10:03 AM
17	A	Our judges did a great job and were respectful and helpful to the handlers. They made me feel as comfortable as possible, both on the line and when chatting at the hotel. No doubt in my mind that my dog and I took ourselves out, that's the way I like it - if I go out! Thanks to everyone for all of their hard work, especially Larry, the Event Chair. Outstanding jobs in a COVID year.	6/25/2021 9:53 AM
18	A	Keep this Invitational going , it is for the Amateur and is much better than the Master National.	6/25/2021 9:18 AM
19	B	We've got lots of things to fix to make this event and the MARC what they can and should be!	6/25/2021 9:15 AM
20	B	closing event should include both flights kind of sad it didn't	6/25/2021 8:44 AM
