INAUGURAL PROGRAM & TRAINING GUIDE

# • WELCOME •

This is the **First Annual Master Amateur Retriever Club Invitational**, a yearly event in which amateur handler/dog teams must qualify over the course of the year to compete. These individuals and their dogs will travel from all over the country to a central location in Cairo, Georgia where they will undergo a week of testing designed to show their performance level.

This **MARC Inaugural Program & Training Guide** provides information to the competitors for use during their two to three week stay in the local vicinity. Many will be unfamiliar with the area and the information provided in this book is invaluable to them when making their choices for lodging, meals and provisions. Your display ad will promote your business and showcase what you have to offer them for goods and services.
